Family Activity Day

Don Eaton

San Carlos, CA 94070, USA

Since its inception in 1999, the Week of the Family Committee has designated the Monday of the week as a time reserved for families to stay at home and do something specifically with their family. It is hoped that reserving a set time each week for family time will become habit-forming. To show their support, when the event is not on a holiday, San Carlos principals have historically declared Monday, as a "No Homework" night.

Family Activity Day is for everyone. You are encouraged to "adopt" friends and neighbors who would enjoy an evening of family activities.
