

Discover the
“The Wonders of San Carlos!”

The Week of The Family is sponsoring a fun event based on the book

“The Seven Wonders of Sassafras Springs” by Betty Birney

We have invited all third and fourth grade teachers in San Carlos to do a read aloud with their classroom students starting right after winter break. Check with your students and see if their teachers are participating!~

The challenge to the students:

After hearing the story about the seven wonders that the main character finds in his hometown of Sassafras Springs, San Carlos students are challenged to find some of the “Wonders of San Carlos”

This is a great way to celebrate our 100 years of the founding of San Carlos and encourage students to learn about and discover our wonderful little town!

Teachers have been provided with a copy of the book to read and can encourage their students to go out in their town and find some wonders!

Don't have a 3rd or 4th grader?

If you would like to participate you may pick up a copy of the book from the children's librarian at the San Carlos Library.!

Students should write about each of the Wonders they have found by
Listing the wonder(s) they found and written why it is a wonder!

All “Wonders” are due no later than February 28th and should include name and contact info and can be mailed or emailed to:

Linda Townsend
121 Wildwood Ave
San Carlos CA 94070
Chloetown@aol.com

All ideas will be read by several members of the Week of the Family Committee and a City Council Member and will be published and also included in the time capsule that is being installed in the Spring of 2025!

Please help us make this a fun event for our students to participate in and find out about our lovely little town!
